

Following the Letter-join invitation, as spelling is a prime focus this year, we would like children to practise their common exception words (CEW) at home whilst practising handwriting. At the end of Year 2, children are expected to use leading lines to begin to join their handwriting in the cursive font.

Below are instructions to follow. After clicking on your class, click on to 'fun' and then proceed on to 'word bank'. From there in the top right corner click 'sample' and then your child's year.

We hope children will practise for a minimum of 5 minutes per night, however any more would be beneficial.
